

## Invitation to the Webinar:

### Legal framework for the health sector in Russia

Dear Madam,  
Dear Sir

GHA - German Health Alliance, Ost-Ausschuss der Deutschen Wirtschaft e.V. and Sapozhnikov & Partners / Rödl & Partner jointly invite you to the webinar: Legal framework for the health sector in Russia and the EEU on Tuesday, 23 January 2024, 10.00 to 11.00 (CET).

Although the sanctions have not directly affected supplies of medical equipment and medicines to Russia, they have triggered a number of procurement and logistics concerns.

Alexey Fedoryaka (Sapozhnikov & Partners / Rödl & Partner) will speak on the topic “The Russian healthcare sector: A legal update” about how the Russian pharmaceutical industry is coping with the sanction challenges, the current requirements for the importation of medicines and medical devices, the specifics of circulation thereof in Russia (production, quality confirmation, registration, procurements).

Anastasia Fomicheva (Siemens Healthcare Russia) will give an overview on the involvement of Russian registration authorities within public procurement control.
