Electromobility – opportunities and challenges ahead of Poland and Germany

Friday, November 10, 2023

10:00 – 16:30

Haus der Deutschen Wirtschaft

Breite Str. 29, 10178 Berlin

Agenda

10:00 – 10:30 Registration and coffee

10:30 – 10:45 Welcoming remarks

Dr. Sebastian Bolay - Head of the Energy, Environment and Industry Division,
German Chamber of Commerce and Industry

H.E. Dariusz Pawłoś - Ambassador of the Republic of Poland to Germany

Mr. Michael Harms - Executive Director, Ost-Ausschuss der Deutschen
Wirtschaft e.V. (German Eastern Business Association)

10:45 – 11:00 Keynote

Mr. Michael Kellner - State Secretary, Federal Ministry of Economic Affairs
and Climate Action of the Federal Republic of Germany

Mr. Adam Guibourgé-Czetwertyński - Undersecretary of State, Ministry of
Climate and Environment of the Republic of Poland

11:00 – 12:30 Panel I: Infrastructure: The Key to Electromobility Development

The development of charging infrastructure - both private and publicly accessible - is an essential stage in the construction of the electromobility market. What impact will the regulations introduced by the European Union (including AFIR and EPBD) have on the dynamics of development? What are the key barriers to the development of charging infrastructure in Poland and Germany? What opportunities are emerging for Polish and German businesses?

- Mr. Artur Kalicki - Board Member, **Polenergia eMobility**
- Mr. Arjan Van der Eijk - COO and Board Member, **E.ON Drive Infrastructure**
- Mr. Paweł Ochyński - CEO, **Green Cell**
- Ms. Johanna Kardel - Head of Regulatory Affairs Energy, **Elli - Volkswagen Group Charging**
- Mr. Jacek Mazurkiewicz - Senior Manager Energy & Infrastructure Policy, **EnBW Energie Baden-Württemberg**

Moderation: Maciej Mazur – CEO of PSPA, President of AVERE

12:30 – 14:00 Networking lunch

14:00 – 15:30 Panel II: Decarbonization of Heavy Duty Transport - a key challenge for the TSL industry

Poland and Germany are the two largest markets in the European Union in the road freight transport sector. They are also the largest markets in terms of registrations of new and used vehicles weighing over 3.5 tons. However, heavy duty vehicles are also a significant source of emissions. What challenges does the TSL industry face? How will the electrification of this sector unfold?

- Mr. Maciej Wojeński - Co-founder, **Ekoenergetyka-Polska S.A.**
- Mr. Jan Wegener - Team Leader Europe, **NOW GmbH**
- Mr. Sebastian Anioł - Board Member, **InPost S.A.**
- Mr. Piotrek Urban - Director Sales & Marketing, **Daimler Truck Poland**
- Dr. Adam Sikorski - Chairman of the Board, **Polish Automotive Group**

Moderation: Bartosz Arabik – Head of the Economic Division, Embassy of Poland in Berlin

15:30 – 15:35 Closing remarks

Dr. Lars Björn Gutheil – Executive Board Member at German-Polish Chamber of Industry and Commerce (AHK)

15:35 – 16:30 Networking
