

**GG Investors' Forum for Sustainable Transport Connectivity**  
**between Europe and Central Asia**

**Questionnaire for Investor Outreach**

1. What financing modality does your organisation use (loans, grants, guarantees) in Central Asia?
2. Does your organisation work with a specific focus on one or more country/countries in Central Asia? If so, which one(s)?
3. Does your organisation have a focus on a specific transport sub-sector (road, rail, sea, multimodal connectivity)? If so, which one?
4. Does your organisation have existing or planned infrastructure projects in Central Asia that can contribute to the development of the Trans-Caspian Transport Corridor? If so, could you please list them, their estimated amount and timeframe and area? If you have no plans or existing projects, but nonetheless have interest please indicate so as well.
5. Does your organisation have existing or planned soft connectivity projects in Central Asia that can contribute to the development of the Trans-Caspian Transport Corridor (e.g. legislation, policy, policy implementation)? If so, can you list them, their estimated amount and timeframe? If you have no plans or existing projects, but nonetheless have interest please indicate so as well.
6. Does your organisation have existing or planned other forms of technical assistance (e.g., for sector studies, feasibility studies, elaboration of projects)? If so, can you list them, their estimated amount and timeframe?
7. Which of the projects put forward in the “Prioritised list of project baskets” could be of interest for your organisation, and on what financing amounts, modality and timeline?
8. Can you already provide an indicative amount of funding that could be available to support the development of the Trans-Caspian Transport Corridor? Which area could the investment cover (infrastructure, technical assistance, soft connectivity, etc)?
9. Alternatively, could you envisage making a more general announcement/commitment at the Investors' Forum, to supporting transport infrastructure investments in Central Asia, not yet directly linked to concrete projects? If so, could you provide indicative financing amounts, modality and timeline.
10. Please add any other additional relevant information regarding your organisation's ongoing or future contribution to the development of the Trans-Caspian Transport Corridor.
11. Lastly, please provide a contact point in the event we need to reach out for clarifying questions.

We would appreciate if you could send us back your responses to these questions by **21 December 2023**, emailing [INTPA-INVESTORS-FORUM@ec.europa.eu](mailto:INTPA-INVESTORS-FORUM@ec.europa.eu).
