Expert Workshops (in parallel)

14:00 – 15:00 The New Skills

How Albania is on the way to solve German companies' skills gap while creating opportunities for local talent

Where do I find skilled developers that are experienced to work for the German market?

Why do big German players like Deutsche Telekom and TUI chose Albania?

Where do I find a place in Europe where I can still be a first-mover and talent is available?

Why does Albania have the highest growth rates in the Western Balkans?

And what role do skills in the services sector play to reach this?

...join our workshop!
