

The logo for DENTONS, consisting of the word "DENTONS" in a white, sans-serif font inside a white arrow-shaped box pointing to the right. The background of the slide is a purple gradient with a large, semi-transparent silhouette of a wind turbine. At the bottom, there is a horizontal strip showing a sunset or sunrise over a landscape with hills and clouds.

About Dentons in Central and Eastern Europe

One of the largest law firms in CEE

More than 300 lawyers and professionals in Poland, Czech Republic, Slovakia, Hungary and Romania helping you grow, protect, operate and finance your business wherever you need support. We offer end-to-end legal support for energy projects, covering M&A, regulatory compliance, financing, and development.

30+ years of market presence

Our team has played a leading role in some of the most innovative and complex transactions and projects across conventional, renewable, and nuclear energy, as well as water and waste management.

Recognized as one of the best law firms

Consistently recognized as one of the best law firms in the region. Top-ranked for Projects and Energy in Central and Eastern Europe and for International & Cross-Border capabilities in Poland by *Chambers*.

“ **Deeply embedded in the Polish market, Dentons stands out for the breadth of its expertise and the strength of its bench.** ”

International & Cross-Border capabilities
Band 1, *Chambers Global 2026*

Key service areas

We provide comprehensive advice in energy projects, including all M&A, regulatory, financing and development aspects.

Our track record embraces the biggest and most advanced conventional, onshore, offshore wind power projects as well as numerous photovoltaic investment projects.
